Ishan International Ltd. 28th Annual General Meeting 21st September 2023

Speech of Chairman Mr. Shantanu Srivastava

My dear Shareowners,

It gives me great pleasure to extend a warm welcome to all of you to the 28th Annual General Meeting of Ishan International Limited. A warm welcome also to our dear employees and all other stakeholders. This AGM is being hosted on a digital platform. The digital platform has an advantage that it enables more shareowners to participate in the AGM. However, for a more personalized touch, we will try to switch to a hybrid model of both physical and digital modes in future.

Background and Direction for Immediate Future

Friends, Today I am reminded of 28 years ago when I ventured into business from Vietnam in 1995 after passing out from IIT Kanpur and doing a 6-year stint as an Indian diplomat. Since then, it has been a beautiful journey full of learning, challenges, successes and pitfalls. This journey has taught me the most important thing in business which is to build long term relationships and also the fact that long term relationships can only be built on the basis of the value that you add. I call it "Value Addition to Both Ends of the Supply Chain".

Our honorable Prime Minister has described the next 24 years leading up to 2047 as India's 'Amrut Kaal' and this means a lot to every citizen of the country. A very

bright future lies ahead as India will become world's 3rd largest economy by then. Our government's skillful management of the pandemic, and pragmatic approach in dealing with the ensuing economic challenges have helped India emerge stronger than before. Friends, in line with the Government's policies, your company is set to make a far greater contribution to India's prosperity and progress as well as to contributing towards reduction of global warming and in turn to climate control.

Ishan is now in the 29th year of operation. During this period, we have seen a steady growth in terms of turnover and diversification of business. In this journey, building long term relationships by adding unprecedented value to both the ends of the supply chain has been the USP of Ishan. One of our important milestones was the adoption of Quality Management System under ISO 9001 : 2015 over 5 years ago. Listing with NSE (Emerge) last year was another major step forward towards providing greater value to our shareowners while ensuring better transparency and accountability. This has opened a new vista for ISHAN to achieve multidimensional growth in our areas of specialization and reach greater heights in corporate governance.

Ishan's listing with NSE (Emerge) also has a special significance for the corporate world in general as forward-looking initiatives like this, where growth, shareholder value, professionalism and transparency are significant features, create an environment for other SMEs to also come forward and emulate.

Growth-Oriented Targets

Dear Friends, I am pleased to inform you that Ishan has defined a set of growth oriented targets leading up to the Financial Year 2025-26 (short term) and these are as follows:

1. To reach a turnover of 100 crores. Adding to this, we want to maximize EBITDA / profits by keeping our operations cost effective.

2. To become the largest Indian supplier of Sugar Machinery in ASEAN countries.

3. To have the largest market share in Renewable Energy sector, especially in small Hydro, in Vietnam.

4. To increase focus on projects related to climate control. Protection of environment is an important goal for all of us around the globe and our company is also increasing its focus on Renewable Energy Projects, Pollution Control and Recycling of Plastic Waste etc.

Marketing Strategy

Our marketing strategy is based on a 4 Dimensional Model. 1st dimension being growth in existing countries in existing industries, 2nd dimension is diversification and development of business in new industries in the existing markets, 3rd dimension is to diversify to new countries and the 4th dimension is to develop business in renewable energy sector in India and get into projects related to backward integration into our export business. The 4-D Strategy initiated this year will bear fruit in coming years 2024-25 / 2025-26 and ensure sustainable growth for years to come.

It is a matter of encouragement that we have achieved a direct sale turnover of nearly 36 crores in Financial Year 2022-23 which was an increase of 60% over the previous year. We are determined to maintain high pace of growth in Current Financial Year 2023-24 as well as in years to come.

Our market coverage will see rapid expansion as well. While we will continue to focus on the ASEAN countries of South-East Asia, significant contributions will also come from new markets in Africa and North and Central America.

As we aggressively and strategically work towards achieving these targets, we have also kept a sound Risk Management System in place to provide safeguards that are essential in business. We remain committed to our guiding mantra of Growth and

Shareholder value and as a fast-growing enterprise of our great nation, we are aware that this automatically leads to value creation for all our stakeholders. In addition, a strong Value System continues to be the backbone of our company.

Dear Shareowners, Ishan is well set on the path of exponential growth in coming years. As we continue to evolve, we remain committed to our shareholders and to our responsibility of creating jobs.

As I always say, Ishan's greatest assets are our employees and our clients, not just our financial assets. The greatest value creators are human beings. Healthy interpersonal relations create the right ecosystem for a successful business.

Friends, I would like to take this opportunity to thank all our shareowners, employees, customers, government, Bank of India, partners, statutory and internal auditors, secretarial auditors, legal advisors and strategic advisors for their consistent guidance and encouragement. Ishan remains committed to building a world-class enterprise.

Thank you very much

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.
(iii) Long Term Employee benefits

The obligation recognised in respect of long term benefits such as compensated absences, long service award etc. is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (in)(B) supra.

Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost. (iv)

Terminal Benefits accepted or when the Company recognises the related restructuring costs whichever is all on benefit is accepted or when the Company recognises the related restructuring costs whichever is all on benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is

red tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and encoded or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investm the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. ents in subsidiaries and associates, and interests in joint ventures, except where the company is able to control

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deterred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company aspects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities. Transaction or event which is recognised outside Profit or Loss, either in Other Comprehensive Income or in equity, is recorded along with the tax as applicable,

Accounting for Joint Ventures: The company has booked turnover and related cost of Joint Venture entities and partners in its books of account. However, the whole projects have been handled by Joint Venture Partners / Entities and related GST and TDS complied by Joint Venture Partners/Entities.

Leases Ind AS 116 – Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing. Ind AS 17 – Leases, Ind AS 116 eliminates the classification of leases for the leases as either operating leases or finance leases arequired by Ind AS 17 and instead, introduces a single lease accounting model whereby a lease is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leases separately from interest on lease liabilities in the income statement.

The accounting by lessors under the new standard is substantially unchanged from today's accounting in Ind AS 17. Lessors classify all leases using the same classification principle as in IAS 17 and datinguish between two types of leases; operating a finance leases. For operating leases, lessors classify all leases using the same classification principle as in IAS 17 and datinguish between two types of leases; operating a finance leases. For operating leases, lessors continue to recognize the underlying asset. For finance leases, lessors derecognize the underlying asset and recognize a net investment in the lease similar to today's requirements. Any selling profit or loss is recognized at lease commencement.

Provisions, contingent Liabilities and Contingent Assets Provisions are recognised only when (i) the Company has a present obligation (legal or constructive) as a result of a past event, (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

(ii) a reliable estimate can be made of the amount of the obligation,

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received. expenditure requires to better a provision is recognised, only means a many second and a second second and the second and a second a seco

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provi

In the results submitted for current year on 2nd June 2023, the provision for exposted credit loss (ECL) was shown under the head long term provisions instead of reducing the same from Debtors and Advances, Now the presentation has been corrected, the corrected presentation has no impact on the profit/loss of the company for the current year
 In the opinion of the Board, except otherwise stated all assets other than fixed assets and non current investments, have a realisable value in the ordinary course of business which is not different from the amount at which it is stated. The provision for current liabilities and not in excess of amount resonably necessary.
 Revenue from Operations includes commission accrued but not due in respect of ongoing projects
 The Company is engaged primarily in business of EPC Contracting and accordingly there are no separate reportable segments as per Indian Accounting standards (Ind AS) 108 dealing with the segment reporting

Independent Auditor's Report

To the Members of Ishan International Limited (Formerly Known as Ishan International Private Limited) Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of M/s Ishan International Limited ("the Holding Company") and its Joint Venture referred in Annexure A (the holding company and one Joint Venture together referred to as "the Group), which comprises the Consolidated Balance sheet as at 31st March 2023, and the Consolidated Statement of Profit and Loss (Including other comprehensive income), the Consolidated statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, and a summary of significant accounting policies and other explanatory information. (herein after referred to as "the consolidated Ind AS financial statements".)

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of *management certified financial statement of Joint Venture (refer other matter para)* the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including AS specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2023, and its **consolidated profit** and Consolidated cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

• The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Director's report, Management discussion & Analysis and Business responsibility report, but does not include the Consolidated financial statements and our auditor's report thereon.

• Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

• In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during our audit or otherwise appears to be materially misstated.

• If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management and Board of Director Responsibilities for the Consolidated Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors of the companies included in the group are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the only subsidiary included in the consolidated financial statements, which have been unaudited and certified by the Management of the Company. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the "Other Matters" para in this audit report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of M/s Ishan International Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2023, we have audited the internal financial controls with reference to financial statements of the Holding Company and its joint venture, as of that date

In our opinion and based on the consideration of Management representation on internal financial controls with reference to financial statements of Joint Venture, the Holding Company and its joint venture, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The respective Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance

Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to one joint venture, which are joint venture in India, is based on the Management representation and Management Certified financial statement of such joint venture in India.

Our opinion is not modified in respect of this matter

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the Reancial statements.

Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated deprecision and cumulated to the acquisition of PPE and for qualifying assess, borrowing costs capitalised in accordance with the Company's accounting policy.

Own manufactured PPE is espirabled at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are ellocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress". (Also refer to policy on leases, borrowing costs, impairment of assets and foreign currency transactions infra).

Bepreciation is recognised using written Down value method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical avaluation, over the useful life so determined. Deprecision method is reviewed at each financial year end to reflect the expected pattern of consumption of the future according to the effect of any change in the asset. The estimated useful life and residual values are also reviewed at each financial year end to reflect the expected pattern of consumption of the future according to the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Where cost of a part of the asset ("asset component") is significant to total cost of the esset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation on additions to/deductions from, owned assets is calculated pro rata to the period of use. Extra shift depreciation is provided on a location basis

Depreciation charge for simpaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. Assets acquired under finance leases are depreciated on escraight line basis over the lease term. Where there is reasonable certainty that the Company shall abbain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful hie adopted by the Company for similar assets.

Freehold land is not depreciated

Such classes of assets and their estimated useful lives are as under Particulars of Assets Usuful Lives (In Years) Plant and Machinery Factory Premises and Weighbridge 30 я Motor cars, Trucks and Dumpers etc. **Eurniture and Other equint** 10 5 Office equipments Computers

The Company does not have a program of verification to cover all the items of fixed assets to a phased manner. Fixed assets were not physically verified by the management during the year,

Revenue Recognition

Ind AS 115: The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Indentifying the Contract

An entity shall account for a contract with a customer that is within the scope of this Standard only when all of the following criteria are met

(a) the parties to the contract have approved the contract (in wriding, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;

- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- the entity can identify the payment terms for the goods or services to be transferred; (c)
- the contract has commercial substance (ie tha risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and (a)
- It is probable that the entity will collect the consideration to which X will be entitled in exchange for the goods or services that will be transformed to the exclosured, in evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the exclosure ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled in exclange for the goods or services that will be transformed to the exclosured in the consideration to which the entity will be entitled in exclange for the goods or services that will be transformed to the exclosured in the consideration to which the entity will be entitled in exclange for the goods or services that amount of consideration when it is due. The amount of consideration to which the entity will be entitled in exclange for the constant of consideration is pay that amount of the exclassion. (e)

Identifying Performance Obligation:

At contract inception, an entity shall assess the goods or services promised in a contract with a customer and shall kientify as a performance obligation each promise to transfer to the customer either: (a) a good or service (or a bundle of goods or services) that is distinct; or 596 (b) a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

Satisfaction of performance obligations:

An entity shall recognise revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred which (or as) the customer obtains control of that asset

nce obligations sati

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment. An antity shall present any unconditional rights to consideration separately as a receivable.

Measurement

When (or as) a performance obligation is satisfied, an entity shall recognize as revenue the anount of the transaction price (which excludes estimates of variable consideration) that is allocated to that performance obligation.

Determining the transaction price

An entity shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes). The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both.

Under (nd AS, these financial assats have been classified as Fair Value through Profit or Loss (FVTPL) on the date of transition and fair value changes after the date of transition has been recognised in profit or loss

Fair value measurement :

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

The following methods and assumptions were used to estimate the fair values:

(e) Fair value of current assets which includes loans given, cash and cash equivalents, other bank belances and other financial assets - approximate their sarrying amounts.

(b) Financial instruments with fixed and variable interest rates are evoluted by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

Borrowings

I.

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences at sing on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings that are attributable to the acquisition, construction or production of a qualifying asset are capitalised/inventoriad as part of costs of such asset till such time the asset is ready for its intended use or sale. All other borrowing costs are recognized as substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized in Profit or Loss in the period in which they are incurred.

Financial Instruments

Financial assets and/or financial liabilities are recognized when the company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities and financial guarantee contracts are initially measured at transaction values and where such values are different from the fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial issets and financial guarantee contracts that are attributable to the acquisition or issue of financial assets and financial issets and financial assets and financial issets are different from the fair value. (iv) Terminal Benefits

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the income Tax Act, 1961 and based on the expected outcome of assessments/ appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used to computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Bolance Sheet date,

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets are viewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the esset to be recovered.

Deferred tax assets relating to unabsorbed deprecision/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of

Transaction or event which is recognized outside Profit or Loss, either in Other Comprehensive Income or in equity, is recorded along with the tax as applicable.

Introduces a single lesses accounting model whereby a lesse is required by Ind AS 17 and instead. Introduces a single lesses accounting model whereby a lesse is of low value, and to recognize deprecision of leased assets separately from interest on lease liabilities in the income statement.

The accounting by lessons under the new standard is substantially unchanged from today's accounting in Ind AS 17. Lessons classify all leases using the same classification principle as in IAS 17 and distinguish between two types of leases, before any finance leases, because derecognize the underlying asset and recognize a net investment in the lease similar to today's requirements. Any setting profit or loss is recognized at lease commencement.

Provisions, contingent Liabilities and Contingent Assets Provisions are recognised only when

(i) the Company has a present obligation (legal or constructive) as a result of a past event; (ii) it is probable that an outflow of resources embodying economic banefits will be required to set is the obligation, and

(ii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

(i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and

(ii) a present obligation axising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Skeet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

Statement of Cash Flows

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters •	How the matter was addressed in our audit
Adoption of Ind AS 115 – Revenue from C	ontracts with Customers
The company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income and cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management in the standalone financial statements.
- Conclude on the appropriateness of the Management on use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue

as a going concern.

(_.

• Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

i

Materiality is the magnitude of the statement in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2020 ('the Order') issued by the Central Government in terms of Section 143 (11) of the Act, we give in the 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;

d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act;

e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

(C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT -31st MARCH 2023 (Referred to in paragraph A(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (The 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone Ind AS financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with Reference to standalone Ind AS financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of Corporate Governance stipulated in the Listing Regulations.

Auditors' Responsibility

- Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
- 2. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations for the year ended March 31, 2023.

3. We conducted our examination of the above corporate governance compliance by the Company in accordance with the Guidance Note on Reports and Guidance Note on Certification of Corporate Governance both issued by the Institute of the Company Secretaries of India (the "ICSI"), in so far as applicable for the purpose of this certificate. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICSI.

Certification:

In our opinion and to the best of our information and according to the explanations given to us, I certify that the Company has complied with the conditions of the Corporate Governance as stipulated in the abovementioned Listing Regulations.

Assumption & Limitation of Scope and Review:

- 1. Ensuring the authenticity of documents and information furnished is the responsibility of the management of the Company.
- 2. Our responsibility is to give a certificate based on our examination of relevant documents and information. It is neither an audit nor an investigation.
- 3. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.
- 4. The certificate is addressed and provided to the Members of the Company solely for the purpose of enabling the Company to comply with the requirement of the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, I do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.
